## Shayler Glen Apartments

Shayler Glen., the one place where your favorite comforts and conveniences exist side by side with nature's simple pleasures and elegance.

You'll feel this harmony the second you arrive home. Five uniquely designed buildings have the privacy and warmth of a cozy New England village. Look out onto wooded hills, or a rolling meadow. Relax with a walk on the grounds and be soothed by the sounds of Shayler Creek- all in your backyard. An escape like this makes it easy to forget you're just minutes away from one of Cincinnati's most vital areas.

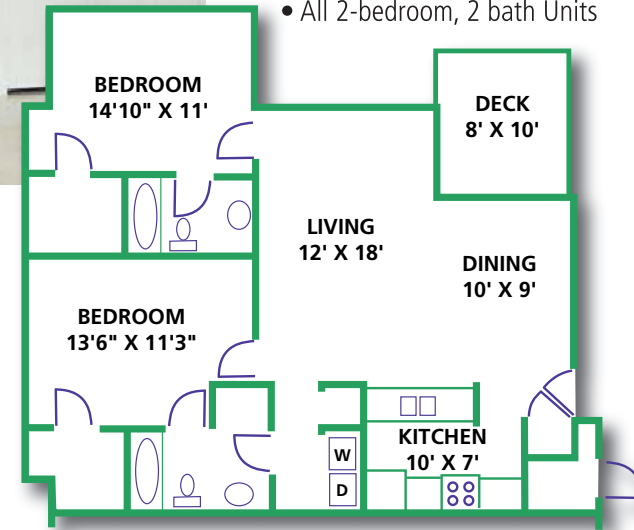

Shayler Glen has all the advantages you want in your life-style today. Careful choice of building materials helps minimize noise. The open design of each apartment lets you arrange furniture with freedom and flexibility. And, finally, we make it all affordable.

*You see it wasn't enough to make it right, it had to be made perfect.*
